

Battles on Diamonds for Tribune Cups Page

Seventy Games in Inter-
park Series Played
Last Week.

JASPER OVAL NINES LEAD IN 3 CLASSES

H. Vieth of John Jay Midgets,
Pitches a Perfect Game
for Team.

The war for the Tribune cups and medals started long before the Kaiser took it upon himself to stir up things in Europe. The Tribune boys' war is international and so is the Kaiser's. There are Germans, Austrians, Italians, Belgians, English, French—in every nation—represented in the struggle for the Tribune prizes.

There is this difference, however, in the two conflicts: One is waged with guns, ships and aeroplanes and the other with baseball bats. There is little difference, though, in the spirit actuating the forces engaged. All are fighting hard to win.

About seventy games were played in the interpark series last week, and the race is now about half finished. The games thus far have been very closely contested and the championship is a long way from being settled in any of the four sections. There are fifteen teams that have so far failed to meet defeat. They are trailed closely by sixteen teams that have lost only one game. At the other end of the ladder there are nine teams that have not yet tasted victory.

In the northern section the Jasper Oval nines lead in the 85-pound and 115-pound classes. The 130-pound team, however, slipped back during the last week as the result of the win showing of the Reservoirs, who won two victories over Bennett and Carmansville, respectively, while Jasper led in the 100-pound class by defeating Riverside, 7th St. and Reservoir.

The standing in the western section did not change during the week as far as the leaders were concerned. The Thomas Jefferson boys kept on winning in the 100-pound, 115-pound and 130-pound classes. In the 85-pound class Yorkville is in the van, although it was defeated by Thomas Jefferson a week ago Saturday. Yorkville made up the lost ground by triumphing over the East 17th St. team last Thursday.

In the southern section the teams are playing excellent baseball and are in each class are contenders for the championship. Hamilton Fish is leading in the 85-pound class and is tied for the lead in the 115-pound class with Seaside Park, and in the 130-pound class with Columbus Park. Columbus Park is showing the way in the 100-pound class, having won five games and lost none.

The West 59th St. boys top the list in the western section in the 85-pound and 115-pound classes, jumping from fourth place after defeating Chelsea and De Witt. In the 100-pound class Chelsea holds sway with four victories. Central 66th St. leads in the 130-pound class, having yet to suffer defeat.

A feature of the playing last week was the remarkable showing made by H. Vieth, of the 85-pound team, who entered Babe Ruth's hall of fame by pitching a no-hit game against the St. Gabriel nines. Not a St. Gabriel player reached first, and Vieth struck out nine batters. The John Jay team backed up their star twirler in faultless style by playing an errorless game.

The Tribune prizes will be on exhibition all next week at 302 West 17th St. The silver cups that have been offered for team rewards, and as many of the gold, silver and bronze medals as the show windows can contain, will be on display.

The standing of the various teams at the closing Thursday of last week is as follows:
